You may nominate any person to receive any part of the benefit that will be paid from the Fund if you die. This should include your spouse or partner, your children, any person that is financially dependent on you or any person that you want to receive a part of your benefit. The trustees of the Momentum Corporate Preservation Funds have a duty under the Pension Funds Act to distribute the benefits equitably between your beneficiaries, taking the provisions of the Pension Funds Act into account. What this means is that even though the trustees will take your nomination into account, they have the final say.
